France 2013 Michelin Road Atlas

For example, you might discover that the former N29 has become the D929. Luckily, most of the department kept the memory of the national highway numbers in the new numbering of the departmental roads. Michelin's new safety alerts warn you about dangerous driving areas and zones subject to tighter speed checks.

Even with a GPS system, this atlas is very useful. .

France 2013 Michelin Road Atlas

I think that edition has the new road numbers already, but was warning you that not all of the signs had been changed yet. From territory map to a delivery map and everything in between, we can make it. You can buy a map from a lot of different places, but with a custom map, you will have the ability to curate a map to your exact specifications.
