## An Auspicious Anniversary for the Marshall Plan

If this is a statement of the ideal rather than reality, it is an ideal that is close to realization.

## George F. Kennan on the Strategic Background

There is a larger fact about the alienation of Negro youth than the tangle of pathology described by these statistics. Faced with a proverbial fork in the road—either return to public investments generating employment, with efficiencies and capital formation to escape the debt trap, or impose austerity—many state governments chose austerity. American democracy has been defined by mass exclusions based on race, class, gender and voter suppression.

## Buttigieg Calls for Marshall Plan to Invest in Future of Black America

Quite typical Supe Adminimal shallow thinking, reliance on bogus statistics, pleas to save the minority children from the practices that they themselves willingly implement and, to make it all seem reasonable to limousine liberals, calls for more monies. The mere existence of a great free country like our own, to which anti-Soviet forces could gravitate, would then be a major danger even more than it is today to the security of the Soviet political structure.

## The Crisis of Democracy: A Marshall Plan for the Biden Administration

Additionally, public higher education was the foundation for the research and workforce-training requirements of an increasingly complex post—World War II economy. These persons feel that, with the legal obstacles to assimilation out of the way, matters will take care of themselves in the normal course of events. The rates are highest in the urban Northeast where 26 percent of Negro women ever married are either divorced, separated, or have their husbands absent.

## Questioning the Marshall Plan in the Buildup to the Cold War

The third stage is the critical one of commencing a new day to day existence. He traced the roots of the problems he perceived in African American family structure to slavery and past discrimination.
