The plot of the poem was hardly original: Kornaros borrowed it from an Italian prose translation of a standard medieval French romance, *Paris et Vienne*, by Pierre de la Cypède. Rather than learning these lessons from bourgeois institutions, he is taught by mysterious figures of a fringe subculture.

Faure, an art historian, offers a third, perhaps synthesizing—at least for Miller—view of time, for he discusses how artists may reshape or reorder time to fit their intuitive needs. Hayer, Horst Dieter, « Zwei Erzählsysteme des Nouveau Roman : Sarraute und Robbe-Grillet », in : Peter Bürger ed. With his choice of spiral form, Miller assures such a phenomenon because he may cut from one scene to the next with no regard for conventional narrative contiguity.
