Bacon's Contribution to English Prose

They are specimens of that wisdom which arise out of a universal insight into the affairs of the world. This book also provides the basis for a fresh assessment of Renaissance prose. The second edition of The Longman Anthology of British Literature includes key major additions of important works, an expanded illustration program, and new translation of Beowulf.

Francis Bacon

The subject is meant for giving instructions to the readers. The age also presents a galaxy of great poets like Milton, Donne, Drummond, Drayton and so on. But that is not Bacon's only style.
