A Field Guide to the Birds of Peninsular Malaysia and Singapore

Any attempt to condense this first detailed account of Malayan birds into one volume would be futile, and a series of volumes dealing with the birds in a natural sequence would remove the work, on grounds of expense alone, from the reach of most amateur naturalists in the country. Our office will let you know what deposit amount is due, in order to confirm your booking, following receipt of your online booking form. This book is not simply an identification guide.

hobby. Until surprisingly recently, these forests clothed most of the area. Books About Birds of Singapore Books About Birds A guide to books about birds and birdwatching On this page Singapore This page lists books about birds and birdwatching in Singapore.

8 Day Bird Photography Tour to Sabah Borneo

Quarto, paperback, colour photographs, maps. The atmosphere and climate of being in untouched rain forests evokes new ideas and inspirations simply from the scents and sounds. I have, therefore, recast the list with a few supplementary notes, but, for convenience of reference, have retained the original numbering, merely interpolating species not previously included under a letter.

Birds: A Photographic Guide to the Birds of Peninsular Malaysia and Singapore by Morten Strange

Bird Photography: Opportunities during our West Malaysia birding tour are worthwhile. What are the benefits of accurate colour reproduction and how are you using Datacolor products within your workflow? Government Printing Office 1910 A 24 page booklet listing birds recorded on the peninsula to 1910. With easy-to-use thumbnail silhouettes, a regional map showing the best birding localities, up-to-date tips on birdwatching and information on bird biology and behaviour, this guide an invaluable for anyone birdwatching in the region.
