Was Sterling Overvalued in 1920s?, Economic History Review

Used items may not include supplementary materials such as CDs or access codes.

Marxist Left Review

Horthy led a government through the , banning the as well as the , and pursuing an foreign policy in the face of the. Fatefully, when took power in Germany in 1933, he found in Gömbös an admiring and obliging colleague.

Decolonization and the Collapse of the British Empire

He strengthened Hungary's ties to 's Italian fascist state. British goods became uncompetitive on world markets and policy was tightened aggressively by the Bank of England and the Treasury. To avoid being trapped in a costly struggle with local nationalist movements, Britain backed out of most of the remaining colonies with unseemly haste.
