## Global Economic Carnage, War profiteering (and the lethality/greed of secret societies like FREEMASONRY)

Figure 7 shows the use of the dollar and the euro in the exports and imports of third countries, averaged between 1999 and 2015. Much of the phenomenal increase in indebtedness of US corporations during past decades has been due to junk-bond holdings, not bank loans, at least until creative accounting allowed corporation new off-balance-sheet access to virtual money. In legislative elections in June, the PS lost 115 seats in the Chamber of Deputies.

## Trade Negotiations: Geo

President Franklin D Roosevelt's New Deal responded to the Great Depression of 1929 with massive banking reform, adding to the Reconstruction Finance Corp RFC already set up by president Herbert Hoover, which lent to distressed corporations and banks. The Eurozone crisis led to a similar pattern of partial neoliberalization. By 1941, both the IEC and the ISA had temporarily stopped their work.

## BIS vs national banks

The Gold Standard Compared with the other examples discussed here, the emergence of the so-called Classical Gold Standard 1870s—1914 is a slightly different case of standardisation. Finally, the international use of the euro would be expanded if the EU pursued a more united, and thus more effective, external and defence policy.

## Resources for Hubert Védrine

In December 1920, at a party congress in Tours, more than three-fourths of delegates voted to separate from the SFIO and form the Parti Communiste Français; PCF.

## Dotplot

Looking to keep such risks from infesting the banking system while not preventing the banks from participating in the highly profitable new markets,

national banking systems are suddenly thrown into the rigid arms of the Basel Capital Accord sponsored by the Bank of International Settlement BIS , or to face the penalty of usurious risk premium in securing international interbank loans. Moreover, many feared that countries might again embrace protectionism as the world spiraled into the grasp of economic nationalism.
