### Israel

A comparison of the Census returns in 1922 and 1931 shows that, six years ago, the increase per cent.

### Israeli occupation violations of archeological heritage in occupied Syrian Golan continue

The seven townships as well as the that have been constructed by the government for the Bedouin population of the Negev, are the only Arab localities to have been established since 1948, with the aim of relocating the Arab Bedouin citizens see preceding section on. Netanyahu has also been accused of encouraging Jewish settlements in Palestinian areas while still backing a two-state solution. Nasser was intoxicated by the explosion of popular enthusiasm in the Arab world, as well as by his own propaganda.

### Israel

Arab towns in Israel are reluctant to collect city taxes from their residents.

### Status of territories occupied by Israel in 1967

If you want to try again to provide verification of your claimed source, you are welcome to it.

### The 1967 Arab

Then he mentions additional divisions moved into the Sinai and clearly suggests this was done because Nasser thought Israel might attack.

### Israeli

Another 2007 poll by Sammy Smooha found that 63% of Jewish Israelis avoided entering Arab towns and cities; 68% feared the possibility of widespread civil unrest among Israeli Arabs; 50% of Israeli Arabs justified Hezbollah's capture of IDF reservists and in a cross-border raid; 19% thought Israel was justified in going to war following the kidnapping; 48% justified Hezbollah rocket attacks on northern Israel during the ; 89% of Israeli Arabs saw the IDF bombing of Lebanon as a war crime, while 44% of Israeli Arabs viewed Hezbollah's bombing of Israel as a war crime;

62% of Israeli Arabs worried that Israel could transfer their communities to the jurisdiction of a future Palestinian state, and 60% said they were concerned about a possible mass expulsion; 76% of Israeli Arabs described as racist; 68% of Israeli Arabs would be content to live in the Jewish state alongside a Palestinian state in the West Bank and Gaza Strip; 41% of Israeli Arab citizens. It should be remembered that Israel was a country in its virtually non defensible pre June 4 1967 borders, being faced with imminent attack on several fronts.

### **Israel's attack on Egypt in June '67 was not 'preemptive'**

This figure includes 209,000 Arabs 14% of the Israeli Arab population in East Jerusalem, also counted in the Palestinian statistics, although 98% of East Jerusalem Palestinians have either Israeli residency or Israeli citizenship. The devastating effect of the military occupation of the Palestinian territories cannot be overstated. Surely an injustice is an injustice and both should be rectified.

### **Israeli**

All inhabitants are entitled to , which would entitle them to an Israeli driver's license and enable them to travel freely in Israel. The state's schools in Arab communities teach in Arabic according to a specially adapted curriculum.
