Ulster Ancestry

A rough surname index of these printed volumes and of the tithe survey 1823-38 for each parish was compiled by the staff of the National Library of Ireland in the 1960s and a typed version of this Householders Index is available in duplicated form for each county.

Colonial Ulster: The Settlement of East Ulster 1600

Despite their name these units do not contain towns, indeed some have no occupants at all.

County Antrim, Ireland Genealogy • FamilySearch

We want to know what kind of people our ancestors were, their names, how and where, when and how they lived. In addition, and this is where Bob Hunter's and John Johnston's scholarship has added considerable value to the document, they have also appended information on these men in the muster rolls from sources such as the 1622 commission survey and the depositions following the 1641 native rising.

County Antrim, Ireland Genealogy • FamilySearch

The Normans in Tirowen and Tirconnell. Adding to the mix was the ascendancy of the O'Neill sept to the kingship of Cenél nEógain in place of the Mac Lachlainn's. Later in the year a major expedition from England landed in Belfast Lough and successfully laid siege to Carrickfergus.

Colonial Ulster: The Settlement of East Ulster 1600

Index for parishes in Northern Ireland on CD Rom contact UHF for details. During the Tudor era in the 16th century numerous adventurers from Britain attempted to colonise the region; many Scots settled in Antrim around this time.

Men and Arms: The Ulster Settlers, c. 1630

Most naturalisation papers are held in some 15 Federal Record Centres in USA including one at Springfield, Mass. These counties formed a distinct region within Ulster and were excluded from the official scheme for the Ulster plantation.
