

ISLPED 06 - proceedings of the 2006 International Symposium on Low Power Electronics and Design, Tegnernsee, Germany, October 4-6, 2006

Association for Computing Machinery - Reducing idle mode power in software defined radio terminals — Arizona State University

Description: -

- Power electronics -- Congresses

Low voltage integrated circuits -- Congresses ISLPED 06 -

proceedings of the 2006 International Symposium on Low Power

Electronics and Design, Tegnernsee, Germany, October 4-6, 2006

- ISLPED 06 - proceedings of the 2006 International Symposium on

Low Power Electronics and Design, Tegnernsee, Germany, October

4-6, 2006

Notes: Includes bibliographical references and index.

This edition was published in 2006

Filesize: 23.61 MB
