When Overprotective Parenting is a Problem

It's the choices you make — not the chances you take that determine your destiny. She had become abusive herself too. Ginsburg suggests that parents should be lighthouses for their children.

3 Ways to Deal With Overprotective Parents

They want to shield their child not only from getting physically hurt, but from disappointment, failure at school, problems with peers, and a litany of other potential difficulties. We do not have any paperwork for this, as we all just thought this was temporary, my mom has threatened to take my sister from us over the smallest things that she may not agree with.

extended family

You see, me and my younger brother are the only two still at home.

Overprotective parenting: How overprotection hurts kids

Stop wishing, and start learning how to change your response so you can be happier and healthier. Overconsoling your kids Overprotective mom or overprotective dad takes the utmost care of their kids.

10 signs you're an overprotective parent

What I have enjoyed so much about POGO is how open minded everyone is about psychosocial issues, and psychosocial development.
