When, however, Alderman's Haw was inspected subsequently, probably in the late 14th century, it was reported that hardly any trace of the cell remained. There, the Gyrwas are divided into the North Gyrwas and the South Gyrwas: Medeshamstede was clearly founded in the territory of the North Gyrwas. Roffe, in 'On Middan Gyrwan Fenne', p.

RELIGIOUS HOUSES: Introduction

The railway line from London and to was constructed through Shifnal at high-level in the late 1840s. This reference is to a later, grossly expanded version of the charter. However, aspects of Medeshamstede's history, including the apparent survival of some of its pre-Viking archive, suggest that it did not suffer the same fate as other sites which were not so fortunate.

Medeshamstede

Little is known of its founder and first abbot, Sexwulf, though he was himself an important figure, and later became bishop of Mercia. Prior to his appointment to York, he was a royal clerk and perhaps a monk at Peterborough.
