Los judíos ilustres de Portugal

Nacido en Tánger, fue en Portugal donde se consolidó.

Judíos españoles y portugueses

Around 100,000 Jews had decided to move to the neighboring Kingdom of Portugal, a minor Jewish population was already residing in Portugal.

LA EXPULSIÓN DE LOS JUDÍOS DE PORTUGAL

La posición de los judíos en los moderna era bastante diferente.

Zamora Sefardí: Los Judíos en Portugal

Until the 15th century, some Jews occupied prominent places in Portuguese political and economic life. Consultado el 16 de noviembre de 2018. Sin embargo, el paisaje genético regional todavía está muy mordido, tanto en el lado materno como el paterno.

Los judíos en Portugal

De todas formas, muchos judíos permanecieron en Portugal. Portuguese was used for everyday communication in the first few generations, and was the usual language for official documents such as synagogue by-laws; for this reason, synagogue officers still often have Portuguese titles such as Parnas dos Cautivos and Thesoureiro do Heshaim. Most of the Jews who left Spain as Jews accepted the hospitality of Sultan and, after the Alhambra Decree, moved to the , where they founded communities openly practising the Jewish religion; they and their descendants are known as.
