First Outline Perspective Plan OPP1 1971-1990 - - 40 13.

The Way of the Land and the Path of Money: The Generation of Economic Inequality in Eastern Fiji on JSTOR

Publisher Information The mission of the College of Business is guided by an appreciation of the institutional history of Tennessee State University and the obligations of a state university located in the heart of a vibrant metropolitan area with a diversified business community.

The Way of the Land and the Path of Money: The Generation of Economic Inequality in Eastern Fiji on JSTOR

As in the Soviet economy, the main objective was a high rate of economic growth, with primary emphasis on industrial development at the expense of agriculture and particular concentration on heavy industry and capital-intensive technology.

Malaysian Development Policies

MTR Fourth Malaysia Plan 1981-1985 29 Mar 1984 17 424 15. The main policy implemented in OPP2 was the National Development policy NDP.

Economic growth of Fiji

Central committee planning dictated that from the loosely structured, tiny mutual aid teams, villages were to advance first to lower-stage, agricultural producers' cooperatives, in which families still received some income on the basis of the amount of land they contributed, and eventually to advanced cooperatives, or collectives beginning in 1958 with the second Five Year Plan.
