Han'nya

The Daoist master thus returned to his true home above the clouds. My whirlwind carriage traverses endless spaces: Slow and steady I rise on light itself. In the story, the supernatural creature becomes a human form and tells the story.

Exclusive Japanese Art Auction

Traditionally, there are five Noh actions with kyō. Beyond these four closely interrelated core texts, the Tianyinzi is commonly linked with Sima Chengzhen, contains a concise description of zuowang, and provides a comprehensive outline of eight sections of the Daoist path which nicely supplements the Zuowang lun itself.

Japanese Hannya Tattoos: Origins, Meanings & Ideas

Time is conceived as cyclical, eternity can only take place in an eternal return.

Japanese Hannya Tattoos: Origins, Meanings & Ideas

By the late 470s, it had about forty Daoists in residence. It belongs to the Flying Demon category. To do so, sit up straight and interlace the fingers behind the neck.

【奈良】般若寺 宝蔵院

First one abandons outward manifestations, then one becomes oblivious of that which causes these manifestations. It is composed of two episodes and was later edited into a theatrical film Director's Cut.
