In Poland another new method of killing was devised, the gas van. This hysteria helped to turn the public against the communists, one of the Nazis main opponents, and 4000 people were imprisoned.

How did the Nazi consolidate their power?

It will first explore this topic in chronological order, from the Reichstag Fire through to the death of President Hindenburg, and then explore it thematically in the last section. Along with members of the newly formed Nazi Party, the crowd also included dozens of social democrats, communists and other political opponents.

What were Hitler's and the Nazi Party's ideas?

Prisons soon became stretched for space.

The Night of the Long Knives in addition to a few months later helped Hitler and the Nazi Party to consolidate absolute power in Germany by removing their political opposition. Hitler arrived and personally placed Röhm and other high ranking SA leaders under arrest.

The Hitler Youth programme was set up in 1922 with the aim of educating the youth of Germany in Nazi beliefs and physically preparing them for their future as the master race. The party advocated a range of ideas, including hostility to the Treaty of Versailles, nationalism, concern about the nations moral standards and changing culture, and extreme antisemitism. He would spend the next several years confined to Nazi concentration camps.

What were Hitler's and the Nazi Party's ideas?

The first volume of the book was published in 1925, and the second followed a year later in 1926.

How did the Nazi consolidate their power?

In the judicial system specifically, this act removed any judges that were deemed non-compliant with Nazi laws or principles. Just two months later, on 14 July 1933 the Nazis used the Enabling Act to ban all political parties except the Nazi Party.
