Economic and monetary union

The market has been traditionally limited to domestic national health insurance programs and top-end private insurance for expatriates, but nothing in between. One of the key contributions to strengthen regional integration is through the Infrastructure Investment Programme for South Africa IIPSA.

The Transformation of the Construction Sector in South Africa since apartheid: Social inequality and labour ~ Global Labour Column

But this was widely rejected by the Coloured and Indian people and seemed doomed to fail from its very inception. One likely reason for the decline in participation was populist cynicism about politics, a sentiment that has been on the rise worldwide in recent years. Bad harvests and drought were followed by years when there were good harvests.
