Human rights 101, Part 2: Implications for graduate students and counselor education programs

Please note that initial contact by phone is preferred and will be the fastest way to engage contact. The first time that I testified in court as a beginning counselor, I found that I had been poorly prepared by educators and attorneys. If the parents fail to designate a second physician, the department may make the selection.

Ahead of the Curve: Inspiring Law Students

This compensation does not influence our school rankings, resource guides, or other editorially-independent information published on this site. Counselors should declare with authority and conviction if they are confident about a conclusion made regarding their case. Moreover, law enforcement officers are often not qualified to work with children.

Associate Dean for Students

Additional FERPA Provisions In 1994, the Improving America's Schools Act amended several components of FERPA, tightening privacy assurances for students and families. The sports or teams themselves need not be identical, but there must be an equal opportunity to play.

School Counselors

It is generally recommended that counselors maintain detailed documentation of any action in a client case, including meetings with parents and client disclosures. A career advisor shall provide sequential career development activities, current career information, and related career exploration opportunities to students in grades seven through twelve.

RCW 26.44.030: Reports—Duty and authority to make—Duty of receiving agency—Duty to notify—Case planning and consultation—Penalty for unauthorized exchange of information—Filing dependency petitions—Investigations—Interviews of children—Records—Risk assessment process.

Courtroom etiquette Etiquette in the courtroom may appear commonsense, but it is a topic that is often overlooked.

Associate Dean for Students

I focus a lot on Title IX, which covers a number of areas. Professional standards recommended at least one counselor and one social worker for every 250 students and at least one nurse and one psychologist for every 750 students and every 700 students respectively.
