This Life I've Led My Autobiography by Zaharias Babe Didrikson as Told to Harry Paxton

This whole thing was one awful mistake, he never was a communist and at the same time it tragically overlapped with his creative crisis - silent cinema has ended and although all his sound films were a success and a phenomenon for cinema as art, it is becoming clear from this autobiography how difficult and even painful the transition from silent to sound was for him.

JANIS IAN

And the Western roll had to be performed fust right to conform with the high-jump rules of the day. I inquired around and found that at the John Sealy Hospital in Galveston we could get it done free. The show was over, or at least I thought it was.

Wood held up a blanket around me and I changed into my track suit while we were riding along in the cab.

My Life in Red and White on Apple Books

They announced each team over the loud- speaker, and then the girls on that team would ran out on the track and get a hand.
