Even in , which reached its present form mainly during its long period of subservience, the very appearance of the streets is proof of a fundamental independence.

Veneto Travel Destination Guide

Veneto offers a complete holiday destination, with a combination of tourist attractions, grand cities, beautiful countryside, alpine lake, and glorious mountains to explore. At this rate, some experts expect that in 2030 Venice may be a ghost town, populated only with tourists, coming in at morning until evening, like in a big theme park. The population is concentrated in the Southern part, and mostly employed in agriculture in many small farms, specialized in the cultivation of maize, barley, soy bean and sugar-beet, vineyards producing highly renowned wines, fruit and vegetables.
