History of paper

Print: A Manual for Librarians and Students Describing in Detail the History, Methods, and Applications of Printing and Paper Making. The laborious process of papermaking was refined and machinery was designed for bulk manufacturing of paper. Although older machines pre-dated it, the papermaking machine became the basis for most modern papermaking.

History of paper

It has not been possible to prove that the Holbein paper-mills were in operation before the year 1407, when the first authentic mention is made of a paper factory at Ravensburg, and of the paper-makers Cunrat, Peter, and Stengli.

Stromer, Ulman — Brill

Neathery de Safita Neathery Batsell Fuller July 2002 What Is Paper? The bark of fig trees, as the main source of papermaking in this recipe, went through frequent cycles of soaking, beating and drying.

Front Cover

It is primarily used for writing, artwork, and packaging; it is commonly white.
