## Treaties of the United States

These steps should build on current efforts toward a more systematic collection of performance information--at multiple points in time, over several years, and for a set of objective performance measures--and should include: 1 adopting existing evaluation practices used by other State and DOD agencies, such as periodically surveying program participants to assess changes in knowledge or attitudes, and 2 soliciting ideas from training managers and applying their suggestions on improving program monitoring practices and evaluations, including for the development of objective performance measures that could assess program impact over time. .

## Chapter 10

Tigers have striped skin, not just striped fur. Privileges for FMS Case Students.

## Treaties of the United States

A mongoose is not a goose but more like a meercat, which is not a cat but more like a prairie dog, which is not a dog but more like a ground squirrel. Besides this emulation of the Prophet in all aspects of life and thought, his sayings were assembled by various scholars.
