John Randolph

Randolph would have lifted Wilkes up to be a thorn in the side of a king whom he did not like, and to overthrow his minister; had he been himself a minister, his loyalty would have pronounced Wilkes an unprincipled demagogue. Randolph was their most gifted and determined voice. The issues which dominated his career—States Rights, slavery, internal improvements at federal expenses, tariffs, war with Britain, and the administrations of Madison, Monroe, and Adams—are barely mentioned or are omitted altogether.
