### Fishing at Clarks Hill

Gates open at 7 a. Clarks Hill Lake Since there are so many fun things to do at Clarks Hill Lake, you should consider staying in Thomson for the weekend and making the most of your time here. The numerous creeks feeding the lake, over 1,200 miles of shoreline and large areas of open water provide a wide range of fishing opportunities.

### Clark Hill Lake Fishing Guide Map

Directions: From I-20, take Exit 175 Hwy 150 north approximately 7 miles to campground sign. Each year, millions of people utilize the many public parks, marinas, and campgrounds conveniently located around the lake to pursue a variety of outdoor recreational experiences -making Thurmond one of the 10 most visited Corps lakes in the nation.

### Close to 700 Christmas trees collected to improve fish habitat at Clarks Hill

The remaining 22 sites are for tent camping.

### Close to 700 Christmas trees collected to improve fish habitat at Clarks Hill

Strom Thurmond Dam; US Army Corps of Engineers Waterways Experiment Station; Technical Report GL-93-18, August 1993. The bass is the main attraction but in recent years there several numbers of reported catch with humongous catfish. There is a boat launching ramp, hand pump for drinking water, and rustic toilets located throughout the area.

### Winter Bass Fishing on Clarks Hill with Captain Dale Gibbs

The Corps of Engineers urges you to use extreme caution when fishing the tailrace section. Numerous boat ramps and courtesy docks are not accessible due to the low lake level. One memorable bass came on a jigging spoon in 57 feet of water.
