Treasure Lost Treasure Found Quest guide

The next stash and map are located just a tad to the north of Barrow Lagoon. After Major Applegate made his fortune in canny real estate deals, the mansion became the symbol of prosperity in Bayport, but all these years later only a middle-aged brother and sister, Hurd and Adelia Applegate, live there. He doesn't want get mocked for not finding the treasure, and at the end he sort of tells us that since he's been a detective he never is the one to figure it out it is always someone else, which makes him feel even more stupid because he hasn't found anything.
