En su lugar, si no quieres pintar de color intenso, opta por grises o cremas que disimularán mucho más las manchas de suciedad y roce. The local baker is an expert bread maker but a woman full of hate and constantly pointing an accusing finger at Tono the wayward husband. Is La habitación

azul a thriller? If you ever had the chance to watch more than one episode from a mexican soapbox opera, then you've seen this movie already.

► HABITACION AZUL (SANTA CRUZ HUATULCO, MEXICO) REAL PHOTOS & GREAT DEALS

La habitación azul is nothing more than the usual stuff we get to see via those brainless, dramaless and hollow episodes of each soapbox opera that our TV networks puts on the air. And this is an absorbing and titillating situation for the viewer as well.

Keresési találatok

Suspense has the book The blue room by George Simenon, in which the movie is based upon, but this film a thriller? Their passion brings them to places never explored while, in the town, the rumors are not made to wait. Despite that the evidence is enough to convict them, on a hunch, Garduño decides to pay a last visit to Dora, by sneaking into the kitchen of her bakery-shop, he finds that Dora was the source of the anonymous tip, as well as finding boxes of the same rat poison used to kill Ana, Garduño then confronts Dora with this who tearfully confesses having poisoned Toño's wife in order to frame both him and Andrea of murder, since several years back her husband never forgave her of cheating on him, and as a result she never owned any of her shop, with her only son, Nicolás', death it would only be a matter of time for Andrea to seize the entire shop and leave her with nothing. Garduño then reveals to Toño that he learned that Nicolás with his death left a sizable inheritance to Andrea, he then accuses both her and Toño of conspiring to murder both Ana and Nicolás to keep the inheritance for themselves, and reveals that the final piece of the puzzle came to him via an anonymous written tip; However, both Toño and Andrea deny any knowledge on the inheritance, Garduño then becomes doubtful of his own conclusion.
