The 1960s History

Not one of the three principles apply.

The 1960s History

This really anchored the change that counterculture instigators and followers began. Powell attached his amendment to a variety of legislation, beginning with a school lunch program bill that passed the House on June 4, 1946. The building of enduring institutions and capabilities, however, requires more attention to the political economy and the reproduction of combined yet uneven development.

The 1960s History

They are to have children and stay at home to raise them.

The Fourth Industrial Revolution = Planned Dystopia

At this point the goals of SDS were quite vague, but many members were involved in the civil rights movement and the free speech movement at UC Berkeley.
