biblical basis

It is very difficult to argue that the Yeshua mentioned in the Machzor is not the Nazarene. On the first day of Rosh Hashanah I will focus on the idea of moving from random acts of kindness to a practice of Chesed, as individuals and as a community and also as a response to the realities of hatred and desperation that surround us. Recognizing that anti-Semitism is not the greatest danger to diaspora Jewry — rather, assimilation is a greater danger — we can further look at history and discover that the best response to anti-Semitism is to strengthen our Jewish identities and become ever more connected with the beliefs, traditions, customs, ceremonies and traditions of our people.

Life after death

The transfiguration event was something of mystical nature, a Merkavah experience if you wish. There is also a lower Gan Eden and an upper Gan Eden.

Gehinnom

History and memory, knowledge and meaning, are meant to impel us towards a life of purpose. But we could not come up with a strategy that would work...I have been up at night about that, and about the anti-Semitism that is growing in all directions.
