Great St. Mary's University Church

Please join us for a beautiful choral online Festival Evensong service with keynote speaker Professor Tom McLeish, FRS.

Church of St Mary the Great, Cambridge

Then police failed to recognise the military veterans and refused them admittance to the ceremony to which they had been invited. Music and concerts take place throughout the year.

St Mary the Great (University Church)

Though his ashes are interred in , the theoretical physicist Stephen Hawking's funeral was in Great St. It is a welcoming, inclusive, friendly church, with a large gathered congregation of all ages, great music and preaching, and a particular calling as the spiritual heart of the University of Cambridge. The first church on the site of the current one was built in 1205, but this was mostly destroyed by fire 9 July 1290 and then rebuilt.

Church of St Mary the Great, Cambridge

By car Cambridge can be reached by the M11 or A14.

Great St. Mary's University Church

In 1515 the bells were moved to the tower and the structure was dismantled. One can only hope the ravages have been checked before they could cover the whole of the roof. The font dates from 1632 and the sculpture behind the high altar is of Christ in Majesty.

Church of St Mary the Great, Cambridge

This sculpture was completed in 1960. In 2009 the old ring of bells was replaced with a new ring cast by , made possible by a donation from.

Church of St Mary the Great, Cambridge

The University Organ, one of the two pipe organs in Great St.

Church of St Mary the Great, Cambridge

For a small admission fee visitors can climb the narrow, spiral, stone staircase up the tower to get some great views out over the city.
