## UN Charter

The second part of the preamble is a declaration in a contractual style that the governments of the peoples of the United Nations have agreed to the Charter and it is the first international document regarding human rights. The Switzerland is the second biggest UN centre, after the.

## UN Charter

ISBETH LISBETH QUIEL MURCIA Panama said her country has always defended multilateralism as the best way to effectively address the international agenda and to promote a just, peaceful world order. Robinson said the world is facing two distinct existential threats — nuclear proliferation and the climate crisis — but that responding to them is made harder at a time when multilateral cooperation is being undermined by populism and nationalism. As such, States must show greater wisdom and not be deterred by temporary waves of populism and unilateral tendencies.

## Marking Seventy

NICOLAS DE RIVIERE France said that President Emmanuel Macron, speaking on 24 September 2019 at the United Nations, expressed concern about the multipolar world and stressed the need for robust multilateralism, with the spirit of the Charter winning over narrow national interests. The impact of PLO Participation on the work of the United Nations.
