August Sander Artworks & Famous Photography

The image belongs to one of the larger sections in Sander's project, classes and professions, which sprawls through portfolios that depict the student, scholar, official, doctor and pharmacist, judge and attorney, soldier, aristocrat, clergyman, teacher and educator, businessman, and politician. The faces of those he photographed show traces of this collective historical experience. It is a world characterized by explosions of creativity, hyperinflation and political turmoil.

August Sander Artworks & Famous Photography

. The pictures might well have been enough. The Artist The array of writers, actors, painters, sculptors, architects, and musicians in the section of Sander's project dedicated to the artist attests to the breadth of his interests and friendships.

Five things to know: August Sander

Sander died of a stroke on April 20, 1964. However, Sander's portrait of boxers, emptied as it is of any kind of sporting aggression, reveals the gentle peculiarities of the human condition and offers evidence that there was, or could be, an added informality and personability behind his portraits. Behind this formidable facade lurks a character more akin to a provincial schoolmaster than a legislator.

Five things to know: August Sander

Lent by Anthony d'Offay 2010 c.
