After nine months, Ah Gou is seen in Phantom Island, fighting against giant stone soldiers, thinking that he heard Bai Cai call his name.

客途秋恨 ke tu qiu hen Lyrics

After YenShen accepts his defeat and backs down, ZhongHeng TianXia steps up to challenge Ah Gou, citing that he agrees with the laws of the stony steele, but has been working to be the governor ever since and that the fighting can't stop. The two singers will play out their own characteristics in the single to create a strong sense of rhythm, melodic love song.

The best time, is in each other, but can not meet; The best feelings, is both sides understand, but do not say out.

Wu Geng

I would just like each word spoken in Chinese separately so I can upload the audio to flash cards — eventually I would like to add the whiteboard function to write them.
