Prodigal Soldiers: How the Generation of Officers Born of Vietnam Revolutionized the American Style of War by James Kitfield

He has a book out about Iraq, but since it was written a year or two ago, it can't possibly accommodate for all that has occurred since publication.

Book Review

There's some battle narrative here, and the story is bookended by two wars, but it's not ultimately a book about war but about what happens to military organizations between wars. Subscribers are able to see a visualisation of a case and its relationships to other cases. Because of this experience, the Navy, Air Force, and Army would implement training programs designed to simulate actual combat.

Prodigal Soldiers: How the Generation of Officers Born of Vietnam Revolutionized the American Style of War (An AUSA Institute of Land Warfare book) by Kitfield, James: New Hardcover (1995) Brassey's paperback ed

However, it should be argued that due to the case study between the Vietnam War and the Gulf War, the only consider From the start of Vietnam to the end of the Gulf War, the U. I am recommending it to my sons, an Air Force pilot working on his master's in military science and an Army combat engineer, as one of the four most influential books on the development of the United States military since WW II. Another interesting aspect of the book was the coverage of contentious social issues that the military has had to deal with: race, women, and gays and lesbians.

Prodigal Soldiers: How the Generation of Officers Born of Vietnam Revolutionized the American Style of War.

In Part I, the collected stories illustrate how doctrine and policy conflicts led to command and control failures, which in turn destroyed morale and integrity.

Prodigal Soldiers: How the Generation of Officers Born of Vietnam Revolutionized the American Style of War

I'll keep it for a future possibility of finishing it. If you want to get a better understanding of what it took to recover and rebuild the forces of the nation after Vietnam, Prodigal Soldiers is a must read. May contain limited notes, underlining or highlighting that does affect the text.
