## Gone 'til November: A Novel by Wallace Stroby, Paperback

He must be pretending to be my boyfriend as some weird way to stick it to my father. November 9 was my most anticipated New Adult book of the year, and again Colleen Hoover didn't let me down. Despite the fact that I did not like this book at all and that it didn't work for me one bit, she is still one of my favorite authors and I will still be rushing to read her next book.

A faint warmth, but no pulse. As if me living in New York is a joke. The book is about the end of World War I, yet transcends a single event, to the most universal emotions of surviving family.

## November 1916: A Novel on Apple Books

At first I thought- such a cool idea.

## November Fox ★ A Multi

November 9 blew me away!!! The story was SO unique and unexpected that it took me completely by surprise over and over again!! When a user turns 18, they are sent to the main site; however, high school seniors who turn 18 during their senior year can remain in the program until graduation. Audiobooks are recorded in studios. But as details of the shooting emerge and as Morgan follows the trail Mikey lays out for him, the

story lines merge into an even more menacing scenario than either Morgan or Sara could've imagined.
