## BEST IRISH POEMS, WITH COMMENTARY

Yeats- probably the most famous Irish poet, and arguably the best of the lot. New York: Vintage International, 1991. Ferdinand's very detachment from world events, his effort to maintain a kind of individualistic innocence in a time of crisis, ironically exposes his very complicity in the unfolding catastrophe.

If I fancy somewhere warmer or more exotic, I can read Marmalade by Louis de Paor, or Lines Written on a Seat on the Grand Canal, Dublin by Patrick Kavanagh. This melancholy fact is dismissed quickly, and replaced by the energy of the flow of poetry from the watchful heart to the hand- he is alive now, everything is working, the earth is turning, and the sun is shining.

## Louis Zukofsky.

I had to very quickly check my own response, which was somewhere between surprise and delight, to read such uninhibited honesty in the poetry of an older woman, but it was simply because I have not read this kind of poem before.

The scars of the history are everywhere, and while the narrative is relentlessly grim, the ability of nature to grow through and over and above and below these places, polka-dotting a door frame with wild daisies, or quilting an old wall with ivy, creates this unique palimpsest, a tapestry that links history, culture, folklore, ritual, pagan, Christian, conflict, community, geography, weather, beauty and loss. Prepositions +: The Collected Critical Essays. Art is where truths are revealed, and reputation resides.

The narrator wakes up early, anxious to continue work on a story with which he had been struggling late into the night. If something of the mood of the originals comes through Dala's reworkings, they are at least equally colored by his own concerns, language, and feelings, with results such as the following: O T'd aerie too hid his Strad dear is 'nt rue cade weary cad m' need awe ah gnaw nim bl' gad.
