Medical Subject Headings

In response to a petition from the Board of Prison Inspectors of Allegheny county concerned with the rising costs of maintaining prisoners at the county jail and the increasingly crowded conditions there, in 1866 the state legislature authorized the construction of a workhouse in Allegheny County.

PA General Assembly

And yes, the first line of every paragraph should be indented.

Headings

Writers who use APA Style may use the automatic headings function of their word-processing program to create headings. If so, it may be a good idea to add a heading for the introduction so that it appears in the TOC. I'd recommend double-checking with your professor whether you should include a TOC.

Pennsylvania author headings, compiled by Olive S. Holt

Series Library studies Pennsylvania State College. The account book for 1911-1922 provides detailed information on the amount of wages paid to employees and the transactions with companies that provided maintenance or other services at the prison.
