### Birmingham Public Library 2100 P

Many hated it, considering it drab, outdated and an eyesore. Edited by Linked existing covers to the edition. You don't have to speak, if you would prefer to listen that's fine, but in order for the event to succeed we will need some people who are happy to tell their tales or offer their opinions.

### Libraries

We're interested in your memories, photos or any Central Library related objects you may have. We ask that you respect other members, thank those who have helped you and please keep your contributions on-topic with the thread.
