King v. Port of London Authority [1919] UKHL 699 (01 July 1919)

The employees were not allowed to leave the tea gardens. Where there is permanent partial loss of the use of a member the percentage of incapacity shall be rated at fifty percent of the percentages for total permanent loss of the member. The Indian Factories Act of 1948 provides for the health, safety and welfare of the workers.

Article 1. GENERAL PROVISIONS, Chapter 7. MASTER AND SERVANT, Title 34. LABOR AND INDUSTRIAL RELATIONS, GEORGIA CODE

Mr Arnold Lawson, the senior surgeon at Middlesex Hospital, was called as a witness for the applicant and stated that the right eye was blind, that he considered it desirable that it should be removed, and that its condition was due to the aggravation caused by the accident. Where should I file the Notice of Injury and Claim for Compensation? Absent the protection of the statute, an individual employer could well incur a heavy financial burden from multiple injuries of the type specified; this burden would exist whether or not three or more of the specified injuries would have occurred in any one classification.

Workmen Compensation Act 1923

Permanent Partial Disability Scheduled PPD - Compensation for permanent impairment or loss of use of the arm, hand, fingers, leg, foot, toes, ears hearing or eyes vision is paid for a specified number of weeks. The past and current rates are listed on the. That on February 5, 1935, when the said Frank Wiseman became 18 years of age, he was physically incapacitated from earning his own support.

Pursuing a Federal Workers' Comp Claim for Occupational Disease

Either party may request a formal hearing before an Administrative Law Judge by submitting a , to OWCP. It is true that the right eye was not, before the accident, useful for purposes of vision, but when the eye has been removed the man will be evidently a one-eyed man, and for that reason may be less likely to get employment.
