### 7+ Survey Report Templates & Samples

Creating a collaborative space where participants can intuitively and easily work together should be your first port of call when adapting your workshop to the remote setting.

### Results

Also consider who and how many it was sent to, and how the analysis was conducted.

### OUR SURVEY REPORTS

Those respondents that reported a large increase or a large number of sessions generally had some commonalities. For an in-depth guide on using breakouts, see.

### Design and Methodology Report

Remember that for many remote workers, an online workshop or meeting might be the only real time visual connection they have with their colleagues.

### Publications

Thankfully, this challenge is a little easier to solve.

### Survey Reports

Engaged employees are strong advocates for their organization and are willing to take on new challenges. These survey templates can be easily found on various websites.
