Last Of The Breed : Louis L'Amour : Free Download, Borrow, and Streaming : Internet Archive

That's the way I'd like to be remembered as a storyteller. He tried more than once to interest me but I never did read any. The disappearances would be few, isolated, and seemingly unrelated.

LARAMY MILLER

I loved it, despite the feeling that it was from a different, simpler era, where a man had to do what he had to do while other men had to do what they had to do too. He is captured by the Russians and brought to Siberia for interrogation. His test plane being forced down had been artfully arranged by Colonel Zamatev, whose plan is to capture and interrogate specific people with knowledge of the weapons systems of the West.

Last of the Breed

He is kept in a Siberian prison but managed to escape. Amazingly this is the first Louis L'Amour book I have ever read.

public-docs.talentcoach.ir: Last of the Breed: A Novel (9780553280425): L'Amour, Louis: Books

Is that an American name? He also Takes on the KGB and the entire Soviet Union, and not to mention crossing the Siberian Tundras, Swamps, Forests, and Rivers in the middle of winter. Seated in the room was Yakut native, Alekhin, a legendary tracker who was familiar with every square foot of Siberia. Where the hero finds a love interest, they never talk about their relationship and yet she is willing to wait over a year to see him again and is sure that they will get married if they can only find each other in America.

LARAMY MILLER

It was pure, unadulterated story telling, artful in its simplicity and gripping with its sure-footed plotting, characterisation and knowledge of the wilderness. This book gave me the courage I needed at the time and I ended up going out for the wrestling team and I had an undefeated season. This book had a big impact on me at a pivotal time in my life. That had been a modest success.
