### THE CONGREGATION FOR INSTITUTES OF CONSECRATED LIFE

In this way a community of learning becomes an experience of grace, where the teaching programme contributes to uniting into a harmonious whole the human and the divine, the Gospel and culture, faith and life. While authority must be above all fraternal and spiritual, and while those entrusted with it must know how to involve their brothers and sisters in the decision-making process, it should still be remembered that the final word belongs to authority and, consequently, that authority has the right to see that decisions taken are respected. At the same time, I hope that reflection will continue and lead to a deeper understanding of the great gift of the consecrated life in its three aspects of consecration, communion and mission.
