Early Education Curriculum: A Child's Connection to the World, 6th Edition.

EARLY EDUCATION CURRICULUM: A CHILD'S CONNECTION TO THE WORLD focuses on the role of observation and assessment in early childhood programming, the process of planning and implementing a curriculum, setting up an inclusive child-centered environment, and the uses of evaluation and documentation for continuous program improvement. Guided by new research, position statements, and developmentally appropriate practice, the book helps both prospective and experienced teachers make informed decisions about curriculum content. Appendix A: Integrated Curriculum Themes and Activities.
