## **Histories of the English Bible**

And so, using the corrupt and inaccurate Latin Vulgate as the only source text, they went on to publish an English Bible with all the distortions and corruptions that Erasmus had revealed and warned of 75 years earlier. It is a composite made up of Tyndale's Pentateuch and New Testament 1534-1535 edition and Coverdale's Bible and some of Roger's own translation of the text. A simple and unannotated book, much below the scholarly level of Metzger's previous book on the ancient versions *The Early Versions of the New Testament*, 1977.

## **English Bible translations: history, language development and influence from Crossref**

The book also serves as the catalogue by V.

## **Our own English Bible : its translators and their work**

Westcott, A General View of the History of the English Bible.

## **A Study of the King James Version of the Bible by Cleland Boyd McAfee**

Take the most outstanding instance, that of the Book of Jonah. It is not until great ideas are wedded to worthy expression that literature becomes great.

## **The English Bible & its story : its growth, its translators & their adventures / by James Baikie**

Tyndale's translation was published in 1526, in Worms in Germany, where he was then living. The Judges were 'liberators' whom God raised up to defeat these enemies. In that place there will be weeping and gnashing of teeth.

## **The Noblest Monument of English Prose**

The difference comes from the point of time in the growth of the tongue when the Book was written. Passing from these general considerations, let us look directly at the English Bible itself and its literary qualities.
