## What Black Educators are Saying by Wright Nathan

The grooming and hiring of principals is inherently a subjective and political process that varies from school to school.

## Black Boys in Crisis: Why Are So Many of Them in Special Education?

Do we trust charter schools to implement no-excuses disciplinary policies before wrestling with the historical tendency of public education to encourage white assimilation over black freedom? Doing so will enable us to effectively combat the attacks against our democracy.

## Indiana's Teachers Are Mostly White. Black Educators Say They Need To Talk About Racism

Latino educators are equitably promoted but underrepresented overall. During her annual State of the State address Tuesday, Governor Kristi Noem stated her priority of improving civics and history education.

## The Most Educated Group in the U.S.: Black Women

The second most commonly accepted explanation was that whites live in lower-crime neighborhoods.

## South Dakota teachers union hopes educators have a say in Noem proposal

TFA took him to Boston. Helping scholars, journalists, and educators discover answers to that question is the goal of the Black Male Education Research Collection.

## Where Are All the Teachers of Color?

Instead of giving Blacks the means to support themselves, the federal government empowered former enslavers. Unfortunately, by the end of the school year, more than 56,000 minority teachers overall had left the profession. Most recently, he was invited to write blogs for the , , and for the.

## Fact check: Trump's policies for Black Americans

It found that most educators support the Black Lives Matter movement; they oppose measures to remove armed police officers from schools; they overwhelmingly believe school police officers in their own districts treat students of color fairly despite nationwide statistics to the contrary; and most attribute racial discipline disparities in schools to discrimination. The contributions and achievements of African-Americans in the field of education are diverse and wide-reaching.
