However, the League of Nations played little role in this effort, with the United States and Britain taking the lead.

## The Interwar Years (1919

Great Power Diplomacy since 1914. They are at least reading copies, complete and in reasonable condition, but usually secondhand; frequently they are superior examples. In sum, the Stalinist methods of terror, , and mass exploitation of labour and resources had served well enough to force an industrial revolution in Russia, but they were inadequate to the needs of the postindustrial world.

## History of Europe

Our Japanese foreign policy, including immigration quotas and protective tariffs, does little to improve relations. Many countries had been fought over twice.

## Eastern Europe Between the Wars 1918 1941 by Hugh Seton Watson

With the rise of the left-wing Republican government replacing the Spanish monarchy, Spanish monarchists and fascists repeatedly approached Italy for aid in overthrowing the Republican government, in which Italy agreed to support them in order to establish a pro-Italian government in Spain.
