Royal Philatelic Society, London, Donations to the Society's Collections, 169.

1880s

Lady Evelyn Farquhar and Mr. The last one before the outbreak of World War Two was on 30th August 1939. She changes back into female clothing, departs for the respectable Revere House, and eventually makes personal contact with William, who cannot believe his good fortune, especially since she had managed to save their gold by a stratagem.
