## Joseph Conrad prose style

However, the collection also consists of several comparative studies linking Conrad with other English authors like Milton, Blake and Lawrence. Sometimes, when Conrad's imagination was at its most fertile and his command of English at its most precise, the danger came darkly from within the self. Before that, in the early 1880s, letters to Conrad from his uncle show Conrad apparently having hoped for an improvement in Poland's situation not through a liberation movement but by establishing an alliance with neighbouring Slavic nations.

## ENG4425

Conrad kept a distance from official structures—he never voted in British national elections—and seems to have been averse to public honours generally; he had already refused honorary degrees from Cambridge, Durham, Edinburgh, Liverpool, and Yale universities.

## Heart of Darkness: Context

The emotion was as intense as passionate love, and at the same time all-embracing. Conrad's subsequent refusal to follow in Apollo's footsteps, and his choice of exile over resistance, were a source of lifelong guilt for Conrad. We seemed to sink through layer after layer of what was superficial, till gradually both reached the central fire.

Had he been my own son, I wouldn't have done it, but. The narrator is, in his letters, often critical of Edward for his desire to hold total control over his fiancée, but never reveals these feelings to him directly. .

## The unreliable narrator in Joseph Conrad's 'Heart of Darkness'

Conrad was not a good student; despite tutoring, he excelled only in geography.
