The Relentless Revolution: A History of Capitalism

She explains that the 2008 financial crisis was caused by the era of deregulation from the late 1970s to 1999, while vast sums of money circulated through global markets and the growth in financial assets outpaced real economic activity. Custom, not incentives, prompted action and dictated the flow of work throughout the year.

The Relentless Revolution

Mixed in is unprofessional snark that misses the mark anyway.

The Relentless Revolution: A History of Capitalism by Joyce Appleby

For a philistine of my ilk, it stands out for being written by someone who -on the whole- finds capitalism quite agreeable in its regulated forms , as opposed to either the root of all evil, or the inescapable law of nature.

The Relentless Revolution: A History of Capitalism (Norton Paperback): Appleby, Joyce: 9780393339390: public-docs.talentcoach.ir: Books

The new demands for labor created modern slavery, an institution far crueler and more inhumane than the slavery of biblical times. There are some good bits about early capitalism, but these are more than overcome by the schizophrenic organization with CONSTANT digressions that make little to no sense. The most startling has been its influence upon women.

The Relentless Revolution: A History of Capitalism

By the middle of the seventeenth century, with escalating demand, French, Dutch, and English merchants had entered an intense rivalry with the Portuguese to dominate the slave trade. Furthermore, so much hard research remains to be done, and many of the questions still require the perspective of time to fully assess why things went so wrong.
