They may be assigned to any of the activities or offices of the United Nations University. Financing The UN University receives no funds from the regular UN budget; it is financed entirely by investment income derived from its endowment fund and voluntary contributions from governments, bilateral and multilateral development assistance agencies, foundations and other public and private sector sources.

Research Fellow

Christoph Vedder - University of Augsburg Prof. Short-listed individuals will also be required to complete the pre-appointment declaration of interests for senior positions to identify possible conflicts of interest that may arise and to proactively prevent and manage, as much as possible and in a timely manner, situations in which personal interests may conflict or appear to conflict with interests of the United Nations, should the individual be appointed to this position. The project is primarily empirical, combining the analysis of large datasets and the use of modern econometric tools.
