Chicórá and other regions of the conquerors and the conquered (1854 edition)

Although the series is based on actual history, Iggulden has taken some liberties, which he notes at the end of the book. The 2003 edition became the foundation stone of a scholarly turn since called The New Conquest History. This updated edition of a key event in the history of the Americas critically examines the book's arguments, how they have held up, and why they prompted the rise of a New Conquest History.
